## In Memoriam

*Carolyn Churchill, Director of Admissions;  
Beloved and Valued Friend of Wesleyan*

Miss Carolyn Churchill, Assistant to the President since 1956 and Director of Admissions at Wesleyan College, died on June 26th at the home of her sister in Arlington, Tex. She was a native of Chouserville, Me. She had an AB degree from Taylor University in Upland, Indiana; attended Powers Dramatic School; the Rice Institute summer school; and received her Master of Arts degree from Columbia University Teacher's College. She came to Wesleyan in 1956 from Pine Manor Junior College in Wellesley, Mass. She was active in Mulberry Street Methodist Church, the Macon Council on World Affairs, and the Macon Business and Professional Women's Club. Her charm, her gracious manner, and her ability have been greatly missed on campus. Wesleyan lost both an ornament and an asset in the death of Miss Churchill.

# WEYMAN C. HUCKABEE

## Vice-President For Development

A new office, that of Vice-President for Development, has been created at Wesleyan this year. Mr. Weyman Car- lisle Huckabee has been appointed to the post, and he assumed the duties of the office on September 1, 1962. As Vice-President, Mr. Huckabee will have special responsibilities in the area of public relations and publicity, fund-raising, alumnae affairs, student recruitment, and church relations.

Mr. Huckabee, a native of Georgia, received his elemen- tary and high school education in Georgia. For his college and graduate work he attended Duke University, where he earned the A.B., M.A., and B.D., degrees. Later he spent a furlough year in graduate studies at Yale University.

In 1933 Mr. Huckabee, an ordained Methodist minister and a member of the South Georgia Conference, was sent to Japan by the Board of Missions of The Methodist Church. After one year of language study in Tokyo, he was ap- pointed principal of Fraser English School in Hiroshima. He remained in that position until 1941 when he and his family, along with most other Americans, were forced to leave Japan because of the imminent danger of war.

Upon his return to America, Mr. Huckabee was invited to become the Executive Secretary of the newly-formed Laymen's Movement for a Christian World. This organi- zation, non-denominational in character, was the outgrowth of the concern of a small group of nationally prominent businessmen. Under Mr. Huckabee's leadership the Lay- men's Movement has achieved an influence that is inter- national in scope. In October, 1950, it was recognized as a non-governmental agency of the United Nations, and Mr. Huckabee was appointed as a permanent representative. In October, 1951, he was sent to Paris to attend the opening sessions of the Sixth General Assembly of the United Na- tions, and while there assisted in establishing a room for prayer and meditation in the Palais de Chaillot where the Assembly sessions were held.

In May, 1951, under Mr. Huckabee's leadership, the Lay- men's Movement took a great stride forward in the acqui- sition of Wainwright House in Rye, New York, as a lay center for research and training. As Director of Wainwright House he brought together through the years outstanding businessmen, scientists, educators, doctors, and other pro- fessional men to participate in seminars on Receptive Lis- tening, Spiritual Growth, and Fundamental Values in Busi- ness Practice.

Mrs. Huckabee is the former Miss Susie Biddel whose home was in Woodbine, Georgia. Mr. and Mrs. Huckabee have two sons, W. Carlisle who lives in Clifton, New Jersey, and William B. who lives in Los Angeles, California. One of Mr. Huckabee's brothers is Mr. Leo Huckabee, who has been chairman of the Wesleyan College Board of Trus- tees since 1949. Mr. Huckabee's father was the Reverend Mr. William Allen Huckabee, who during his fifty years as a Methodist minister in South Georgia established the South Georgia College in McRae and served as its presi- dent for nine years.

Mr. and Mrs. Huckabee have traveled extensively both in the United States and abroad. In addition to their seven years in Japan and to Mr. Huckabee's work in Europe with the United Nations, Mr. and Mrs. Huckabee in 1956 went around the world in the company of Mr. J. C. Penney, a Director of the Laymen's Movement. Visitors to the Hucka- bee residence at 235 Ridgewood Avenue in Macon are in- trigued by the wide variety of mementoes of the years spent in Japan.

In the short time that he has been on campus, Mr. Hucka- bee has impressed everyone not only with his sincerity of purpose but also with his ability and with his knowledge of the various facts of college development. Students, faculty, and alumnae alike are accepting his leadership with enthusiasm and with confident expectation.

# Board of Managers Hold First Meeting of Year

Members of the Board of Managers of the Wesleyan Alumnae Association came to the campus October 17 the first meeting of the new year, 1962-63. Ten o'clock was the hour of arrival of the officers from Hopkinsville, Ky., Dalton, Ga., Roswell, Atlanta, Savannah, Cordele, Perry, Newnan and Macon. Coffee was served in the Alumnae Office as they arrived so that the hours ahead could be uninterrupted for inspiration, business and work.

Mr. Weyman Huckabee, the new Vice-President in charge of Development, who will work closely with Alumnae, Admissions and Public Relations, was introduced to the group by Emily Hearn Webb, President. Mr. Huckabee has been on the Wesleyan campus only a few short weeks and has brought much enthusiasm and vitality with him into his new work. As he spoke to the Board he gave a clear picture of the areas in which much work is to be done by the alumnae, the faculty, the administration, students and parents.

It is his belief that "every individual related to this college will recognize the opportunity Wesleyan has to become the greatest Woman's College in the South." By comparative figures he showed that Wesleyan has a low percentage of Alumnae participation, however he complimented the generosity of those alumnae, one out of every seven, who have served Wesleyan so loyally.

Mr. Huckabee feels, and the officers agree, that the top priority of Alumnae interest should be two-fold —(1) Wes-

leyan Alumnae assist to *strengthen the faculty* by increasing salaries. We are below the National average and must reach a competitive level. (2) That percentage of Alumnae participation and support be vastly increased in order to achieve that goal.

The Board gave unanimous endorsement to this and began work during the morning toward the objectives.

Areas were divided into districts, each member of the Board was assigned an area in which they will enlist the help of alumnae representatives. On January 16, the Alumnae Council will be a workshop held at Wesleyan for these key alumnae. During February and the first week in March it is planned that every

alumna will be in contact with other alumnae in her district.

Whenever possible representatives from the college, including Dr. Strickland, Mr. Huckabee, Alumnae Officers and Faculty will meet with various groups.

It was reported that the total Alumnae Fund had reached, since September first, \$6579.50.

The meeting adjourned for lunch. Board members returned to the office for additional work in the afternoon on the list of alumnae in their district. That evening the Board of Managers and their husbands were invited to attend the Trustee-Faculty dinner in the Anderson Dining Room.

Left to right, seated: Cornelia Thornton, Rosaline Gilmore, Mary Jean Paris, Emma Clay, Mattie Lee Nunez, Florence Gautier, Jennie Manget, Roberta Jolly, Emily Webb, Martha Cooper; and standing, Florence Jones.

# Bequests and Gifts

## Reported at Alumnae Meeting, June 2, 1962

by Freda Kaplan Nadler

As a part of our Centennial celebration three years ago, Wesleyan alumnae instituted a Bequest Program, in co-operation with the Board of Trustees. Remember the little pamphlet, "Is Wesleyan in Your Will?", and the admonition that where there is a will, there is a way to remember our beloved Alma Mater. Since then many splendid gifts and bequests have been gratefully received by Wesleyan. Your Bequest Committee, of which Jennie Loyall Manget is chairman, submits the following report of the year.

From *Nanaline Holt Duke*, formerly of Macon, who died recently at the age of ninety, leaving in her will a bequest of \$10,000 to the Alumnae Loyalty Fund of Wesleyan College. (Mrs. Duke was the mother of Doris Duke.)

From *Mr. Oscar Chapman*, of Jeffersonville, Ga., to be known as the Oscar and Elizabeth Carswell Chapman Fund, a bequest of \$10,000. Both his mother and his wife's mother were graduates of Wesleyan.

A gift in excess of \$30,000 from Mr. and Mrs. Wm. N. Banks, trustees, to cover renovations and new furnishings in Banks Dormitory, which is named for them. Mrs. Banks is an alumna of Wesleyan. They live in Newnan, Ga.

A bequest from *Mr. W. P. Stevens* to the Georgia Foundation for Independent Colleges. Wesleyan, one of ten members, will participate.

Gift of a tract of land in West Palm Beach, Fla., by *Mr. and Mrs. L. M. Studstill*. Mr. Studstill, a trustee, and his wife are donors of the Elizabeth Studstill Nelson Scholarships, awarded each year to Wesleyan students in memory of their daughter, herself a former student.

*Era Monk Bryan* Scholarship Fund of \$1,000 given by her husband, the Rev. Gid. J. Bryan of Dallas, Texas, retired Methodist minister. Mrs. Bryan was an alumna, AB 1897.

*Aubrey O. Bray* Scholarship Fund of \$1,000 given by Mr. and Mrs. Ulric B. Bray of Pasadena, Calif. Mr. Bray's brother, the Rev. *Vivion L. Bray*, retired minister of the North Georgia Conference, when he died left \$4,000 in trust for Wesleyan College. The income from both gifts is to be used for scholarships. Their sister was an alumna of Wesleyan.

*Mozelle Harris Jackson* Scholarship Fund, \$10,000, given by Mr. Hogan Jackson of Albertville, Ala., in memory of his wife, a Wesleyan graduate of 1903. (Note: Mrs. Jackson had two daughters who are alumnae of Wesleyan.)

*The Mildred McCrory Mitchell* Scholarship Fund, in memory of a graduate of 1924 and former Wesleyan faculty member. Now totaling over \$1,225, this fund represents gifts from friends, alumnae, and relatives, and is the result of a great deal of devotion and work on the part of Lillian Budd Jackson, AB '24. Mrs. Jackson lives in Macon. Mrs. Mitchell was the wife of the Episcopal Rector in Ft. Valley, Ga. (Note: As of October 1962, the fund has reached \$2,310.)

*The Schram Trust*—Stocks valued at from thirty two to thirty five thousand. Dr. Schram, a well-known biologist of Bloomington, Ind., and his wife became interested in Wesleyan through a faculty member, Dr. Thelma Howell, and expressed a desire to make a gift to the college. Before the arrangements were completed, Mrs. Schram died, but

Dr. Schram carried out their intentions turning over this property to Wesleyan for general endowment to be held in trust until his death. Dr. Schram will receive the income during his lifetime. In addition, his wife left a bequest of \$1,587.52 to Wesleyan.

*Ollie B. Kincaid* remembered Wesleyan in her will. The amount is in excess of \$15,000.

Another Bequest—\$1,000 from *Mrs. Margaret Crawley Davis*, Class of 1893, to be placed in general endowment.

*Mary Dozier* of the class of 1906, left in her will \$500.00 to Wesleyan.

*Ruth Kasey Yost*, AB 1928, present Alumnae Trustee, has given \$1,000. for the establishment of an Endowed Scholarship. This fund is to be increased from time to time.

Also a gift of \$1,000.00 was received recently, from our Macon Alumnae Trustee, *Emma Drew Clay*, class of 1914. This establishes an Endowed Scholarship to be known as the Emma Drew Clay Scholarship.

For these generous outpourings of love through gifts and through bequests, the college and the alumnae are deeply appreciative. From this report of one year, you can note the variety of ways in which you can remember Wesleyan. To help you plan your own program, your alumnae bequest committee will issue a leaflet soon. Funds have been donated for this purpose. Ours will be a part of the total college bequest program and will be coordinated through the new Development office. All alumnae will receive copies of this leaflet when it is published, and it is hoped that all of us will be inspired to remember Wesleyan in our Wills.

# Lucy Evans Stephens Death Is Mourned

*Lucy (Evans) Stephens* died at her home in Washington, Ga., on August 9th at the age of 82. She was an active member and past president of the Atlanta Chapter of the United Daughters of the Confederacy, and for many years most active in the Wesleyan Alumnae Association. She organized the Atlanta Wesleyan Club and was its first president. She had served as Alumnae Trustee for Wesleyan, and in 1950, received the Distinguished Service Award. She is the originator of "Dormitory Day" at Wesleyan, when senior high school students are entertained on campus. On Nov. 10, 1928, she brought 179 girls from seven Atlanta high schools by special train for a spend-the-day party at Wesleyan. This has been a continuous program ever since then, and has become so popular and so largely attended that this year there will be four such days.

They are now called "Senior Saturdays."

Mrs. Stephens was the mother of United States Representative Robert G. Stephens, Jr., Allie (Stephens) Reynolds, 1929; Emma (Stephens) Reynolds, 1934; and Ida (Stephens) Williams, 1940. In addition to her children, she is survived by her husband, Dr. Robert Greer Stephens; a half-sister, Sarah Lee (Evans) Lippencott, 1910; and 11 grandchildren.

**Lillie (Mitchell) Camp** died at her home in LaGrange, Ga., on August 14 at the age of 93. Our sympathy to her granddaughters: **Mary (Terrell) Mitchell**, 1959, of Macon, Ga.; and **Fay (Terrell) Williams**, 1957, of Decatur, Ga. Mrs. Camp had been candlelighter for both her granddaughters at the time of their graduation.

**Mary (Cooper) Little** of Macon, Ga., last year received the Order of the Golden Shield for 50 years of membership in the Phi Mu Sorority. At her initiation, her pin was given to her by her grandmother who had it hammered out of a \$20.00 gold piece by a jeweler. This pin with which she was initiated 50 years ago, has been used by her daughter, **Mary (Little) Troy**, at the University of Georgia; by her granddaughter, **Betty (Baker) Cook**, at Auburn University; and by many friends. It is exactly like the Phi Mu pin of today, except for being a little larger.

'03

**Mozelle (Harris) Jackson**, 1903, the mother of **Mary (Jackson) St. John**, 1931, and **Clara (Jackson) Martin**, 1932, died a year ago last June. An Endowed Scholarship of \$10,000 was given by her husband, Mr. Hogan Jackson, to be known as the **Mozelle Harris Jackson Scholarship**.

'12

From **Martha (King) Johnson** of Waycross, Ga.: "I'm still enjoying the wonderful Wesleyan Houseparty of June first and second. It was a happy experience to be a member of the Golden Anniversary group and to find the "girls" carrying their years so well. The New Wesleyan is a beautiful place, capable of producing the same fine type of young women that Old Wesleyan was famous for. My allegiance has been strengthened by this visit."

'14

**Irma Camp Graff** has been living in Belgrade, Yugoslavia, for two years where her husband is with A.I.D. of the American Embassy there. He is on leave of absence from Iowa State University where he is a member of the Agricultural Extension Staff. Annie Lois (Stowe) Fleming of Madison, Ga., sent in the following news of herself and some of her classmates: "I had to retire this year from my beloved First Graders—We have a 65 year limit here, so it's age and not infirmity. Got a piece of luggage as a parting gift, so have really been using it ever since: have been up around the Great Lakes, Michigan, Wisconsin, Canada. Lucie (Mobley) Moore, of Decatur, Ga., has had a nice trip to Asheville, Gatlinburg, and thereabouts. Frances (Holden) Morrison of Waycross, with John, Beth, Anne, and Beth's daughter, are just back from a wonderful trip to Chicago and the mountains in North Carolina. Ruth (Beeland) Jackson of Macon and her husband spent the summer at Lake Junaluska. Mozelle Tumlin, of Atlanta, and her sister had a trip to New York."

# The NEW Alumnae

You are the greatest asset Wesleyan College possesses. Had it not been for you and the more than 7000 living Alumnae, Wesleyan College would not have been. You helped shape her past, which is rightly prized; you can now help assure her future.

Recently an Alumna said "If an Eastern College had Wesleyan's traditions, its resources for expansion would be limitless." Wesleyan is ready to move into its greatest years of usefulness if her Alumnae will exert the effort required to help provide the financial resources which are needed. A quick look at what other colleges with comparable enrollment to Wesleyan are doing shows that Wesleyan is still far behind.

The Annual Loyalty Fund receipts were \$17,500 in 1961. (The total amount of Alumnae support including bequests was \$61,424.) There were ten colleges not unlike Wesleyan in enrollment, except Mt. Holyoke, whose Alumnae gave more. In six of these the Alumnae gave over \$100,000 to their annual fund. The Wesleyan figures in 1962 are slightly higher than 1961.

The officers and a few of the members of the Alumnae Association wish to propose the following that:

# Development Program of Wesleyan College

1. The Alumnae be asked to contribute three times as much this college year as last. This will mean an increase of \$25,000.
2. This amount be set aside to strengthen the Wesleyan faculty. Wesleyan is still below the National average in faculty salaries.
3. This program be continued by the Alumnae Association until the sum of \$250,000 has been set aside for faculty improvement.

One Southern College for Women has raised in one year the percentage of support from Alumnae from 16% to 74%. We believe that every Alumna, if brought to feel the importance of Wesleyan's future, and made to realize how much their support is needed, will graciously send a gift. The size will depend upon the capacity of each to give, but a sacrificial gift from each one would bring in the amount set as the goal. No gift is too small or too large.

Your gift may be made in cash, stocks, or bonds, or in real estate. If you wish to discuss the matter of your gift with a representative of the college, one will be glad to visit you.

Fortunately for higher education today, there exists a real partnership between the donor and our government.

It has a stake in our annual earnings, and at time of death insists upon its share. Partnership can be beneficent because our State and Federal Government will share generously with you if you decide to aid an institution such as Wesleyan College. Your gift will not be taxed when it is made nor when it is received.

Wesleyan, out of a rich past, is moving ahead. This year more students were turned away than accepted in the freshmen class. The three dormitories were filled in April, while at the same time a gradual increase in standards of admission is being maintained. For two years the College has not used deficit financing in its operation. Today a gift to Wesleyan is an investment in her future. The future is indeed bright and one about which if financial support is found, every Alumnae can be proud.

What investment in Wesleyan's future are you prepared to make? **YOU ARE THE GREATEST ASSET WESLEYAN COLLEGE POSSESSES.** In this new endeavor, we cannot succeed without you.

# Fruit Cake Time

You'll be pleased to know . . . that the traditional offer to alumnae continues from the Old Southern Kitchens, Nashville, Tenn. Again you have the opportunity to provide funds for the Alumnae Association without effort and expense. Through a special arrangement of Old Southern Kitchens, 15% of the amount of your order for Old South or Old Southern Kitchens Fruit Cakes will be donated by the company to the Alumnae Association. Old Southern Kitchens handle the mailing, guarantee satisfaction, and send the donation—no fuss . . . no bother.

Old South and Old Southern Kitchens Fruit Cakes are made from a famous pre-Civil War recipe and have been pleasing palates from coast to coast for years. The three pound Old Southern Kitchens cakes are \$5.00 each and the five pound cakes are \$8.00 each. Both are packaged in gay holiday tins. Old South Fruit Cakes, packaged in cardboard trays and wrapped in celophane, are available in three pound sizes at \$3.75 and five pound sizes at \$6.25. These fine examples of Southern cooking make ideal holiday gifts for your own personal list or for business gifts. Remember, the Alumnae Association receives 15% of the value of your order.
